Wood Hinged Stands Highest Quality and Excellent Value

A. These high quality plate stands come in sizes from 4" to 14" high. The best selling finish is walnut. The 7" size stands fit most popular sized collectors plates.

Stands are available in rosewood, walnut, gold, teak and black finishes. The walnut, black and gold stands are made with a smooth surfaced high quality hardwood. The rosewood and teak (or oak) finish stands are made from borneo wood with the same high quality finish.

Carded Hinged Stands For point of purchase display

Our long time best selling walnut and black finish plate stands are also available on self-selling cards. Stock numbers for carded stands are listed here.
